

lib/include/hello.h

```
graph TD; A[lib/include/hello.h] --> B[iostream]; A --> C[string];
```

A diagram illustrating a dependency or relationship. At the top, a dark gray rectangular box contains the text "lib/include/hello.h". Two blue arrows originate from the bottom edge of this box. The arrow on the left points to a light gray rectangular box below and to the left, containing the text "iostream". The arrow on the right points to a light gray rectangular box below and to the right, containing the text "string".
